After the Book Trust.

County Superintendent C. D. Wells, of Maysville, has filed suit in the Mason Circuit Court against the American Book Company and its sureties to recover \$10,000 on its bonds given to the State to sell school books in Kentucky as cheap as in any other state. The petition alleges the company has been selling goods in Ohio at a lower price than the same books were sold in that county. Under the law the amount recovered in such suit goes to the public school fund of the county where the suit was brought.

There is such a thing as one man favoring another without the existence of any resemblance.

Winchester Court.

There seemed to be but little animation in the cattle trade although good cattle would have sold readily had there been any on hand. Common cattle moved slowly and considerable numbers were left unsold.

Hogs were active at higher prices and lambs are also "up in the pictures."

Scobee's yards report 350 cattle on hand, nearly all plain and common grades. Among the sales there were the following:

J. M. Owen sold some fat cows, 860 lbs., at 4 cents. He also bought a load of butcher stuff at 3 1/2 cts., to go during the last half of July.

S. P. Todd bought 11 yearling steers 600 lbs., at 4 1/2 cts.

Conner & Horton sold 7 yearling steers, 550 lbs., at \$26 each.

Jas. Ballard bought a pair of plain oxen, wt. 2,000 lbs., at \$3.96.

John Frazier bought 5 heifers, wt. 600 lbs., \$22 each.

Tevis & Owen sold to Louis Woodford 35 yearlings, 600 lbs., at 5 cents. They also sold to Webb Johnson, John W. Bush and S. J. Sidwell, 12 heifers, wt. 400 lbs., at \$18 each.

R. A. Scobee sold two lots of light hogs, extra quality, one lot bringing 6 1/2 cents.

Charlie Guy bought of J. F. Jones and T. C. Robinson, 250 lambs for June and July delivery at 6 cents.

J. S. Wade reports 200 cattle at his yards. Among the sales were the following:

R. N. Bowen, bought 22 heifers, wt. 450 lbs., at \$16.00 each.

Green Allen sold to Frank Hughes 6 heifers, wt. 500 lbs., for \$110.00.

Ballard & Scott bought 25 heifers, 400 lbs., at \$15 each.—Winchester Democrat.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. Cheney & Co., Toledo, O. Sold by Druggists, 75 Hall's Family Pills are the best.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

LOCAL BREVITIES.

W. O. Everman, of Virden, was in town Monday

Born to the wife of Doven Hall on the 28th, a fine girl.

Dr. B. Littlepage was in Lexington Monday on business.

C. L. McClure was in Winchester Saturday night and Sunday.

Abb Vivion, of Kiddville, was in town Wednesday on business.

Rev. R. A. Irvine delivered two very interesting sermons here Sunday.

Wm. McCoy, of Natural Bridge, was visiting friends here Saturday night and Sunday.

Miss Adeline Peoples of this place is visiting her many friends at Mt. Sterling this week.

Eggs are very scarce on the local market, and command good prices for the time.

Charlie Easton's saw mill on Hardwick's creek was destroyed by fire Friday night.

The delivery of tanbark has begun, and the market at this place is usually well supplied.

The 3rd. Sunday in May has been selected as the day for children's day services at this place.

Dr. J. H. Evans of Beattyville, is making his usual visit to at this place to day.

E. E. West, of Mt. Sterling, with Simmons Hardware Co., of St. Louis, Mo., was in town Tuesday.

W. A. Hood's family moved to Asland Tuesday where Mr. Hood is engaged in a flour mill at that place.

T. J. Douglas, Virgil Hainline and nick of Leve, were here the latter part, of last week on a fishing spree.

Stroder Snowden of this place has accepted a position with W. R. Day, of Frozen, as foreman of a buckler at that place.

J. C. Fitch, J. W. Terry and Dr. R. A. Irvine went to Mt. Sterling Tuesday and each returned with a new buggy.

The Morgan County Messenger and the Walnut Grove Herald have consolidated and will be published at West Liberty.

It seems as though the evening Sunday school scholars at this place are interested more in a little game of base ball than evening services.

Mrs. J. W. Williams has lately installed a new gasoline plant, which gives light equal to day light. By far the brightest light known.

A telegram from Lexington on Monday to Henry Ware, announces that his uncle, David Crutchfield, is dead and Mr. Ware left Tuesday morning for that place.

B. B. Self a former butcher in the company store, has returned and is again employed at his old trade. His family has moved to town with him.

Mr. Cliff Stokely and Miss Jessie Rucker, both of this place, were married at the bride's home last Thursday evening at 8 o'clock. Rev. R. A. Irvine officiated.

A good rain visited this section the first of the week, which was highly appreciated by many as forest fires were numerous and the ground had become th hard to plow well.

A young lady asked us to announce her wedding, in reply we ask to whom are you going to marry? Judging from the reply she gave, we imagine most any worthy young gentleman can secure a good bride.

Dr. H. L. Ray, J. W. Turner, Robert Shimfessel and others attended Winchester court Monday.

Miss Lillie Rose, of Hazel Green, was the guest of Mr. and Mrs. Noah Rose of this place the first of the week.

Many are under the belief that the seventeen-year locusts will visit us this year, but they will not. Swarms of them appeared in this county in the year of 1889, but none to be noticed in 1885 as claimed by some. Mark our prediction, the locusts will not come this summer.

The Most Common Ailment.

More people suffer from rheumatism than from any other ailment. This is wholly unnecessary too, for a cure may be effected at a very small cost. G. W. Wescott, of Meadowdale, N. Y., says: "I have been afflicted with rheumatism for some time and it has caused me much suffering. I concluded to try Chamberlain's Pain Balm and am pleased to say that it has cured me." For sale by all dealers in patent medicine.

It is announced that Mr. Hood Curtis, of Clark county, and Miss Emma Macky, of Clay City will be married at Powell's Valley the second Sunday in this month, it being the regular meeting day.

Sciatic Rheumatism cured After Fourteen Years of Suffering.

"I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edger, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by all dealers in patent medicine.

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops. - Jessie Pinky Hall, Springville, Ala. This Remedy is for sale by all dealers in patent medicine.

Gone Again.

The Harrodsburg Herald has the following concerning Rev. A. C. Pinkston, who has preached at Clay City: "For several days according to the Enquirer, the

wife of A. C. Pinkston, formerly of this county, has been consulting the Cincinnati police and searching that city for her husband with a view of causing his arrest. Pinkston lived near Harrodsburg and several years ago during a revival conducted at the Methodist church, this city, by the then pastor, Rev. J. E. Wright, this city he joined the church. Feeling called upon to become a preacher he entered the Kentucky Wesleyan College, but though he was not graduated as an ordained minister he was assigned to preach at Ware's Chapel. Trouble arose between him and the Conference and he went to Amelia, O., where a Baptist revival was in progress, his wife stopping off in Cincinnati. He soon became the leader in the revival. Mrs. Pinkston, learning that the meetings were over, and as her husband had not put in an appearance, she made a trip to Amelia and learned that her husband had left there, saying he was going to Cincinnati to see his wife. She also learned that a young woman had disappeared from one of the villages at the same time her husband left. She hurried back to the city and after considerable detective work it was learned that Pinkston was stopping at a Ninth street house with a woman who answered the description of the one who disappeared. The fact was communicated to the pastor and elder of the church of Amelia, with the result that Monday Rev. Rader, with Dr. Witham and Mr. Brooks, one of the most prominent merchant of the place went to Cincinnati and met Mrs. Pinkston and joined in search for the evangelist but he had evidently got wind of their presence and skipped out. Mrs. Pinkston was formerly a member of the church of Rose Hill. She will make no overtures towards securing him, and in addition will do nothing to have her husband prosecuted. In this she will have the support of the pastor and elders of the Baptist church of Amelia. The police department of Cincinnati has been called upon to locate Pinkston.

No Loss of Time.

I have sold Chamberlain's Colic Cholera and Diarrhoea Remedy for years, and would have rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning. - H. R. Phelps, Plymouth, Oklahoma. As will be seen by above the threshers were able to keep on with their work without losing a single days day's time. You should keep a bottle of this Remedy in your home. For sale by all dealers in patent medicine.

Few persons are as easily fooled by others as they are by themselves.

WON'T FOLLOW ADVICE AFTER PAYING FOR IT.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygienic diet to the smallest extent; he has one resort left, namely, the drug treatment." When medicine are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by all dealers in patent medicine.

of So. Glen Falls, N. Y., describes a condition which thousands of men and women find identical with theirs. Read what he says, and note the similarity of your own case. Dr. Miles' Heart Cure:

"I suffered agonizing pain in the left breast and between my shoulders from heart trouble. My heart would palpitate, flutter, then skip beats, until I could no longer lie in bed. Night after night I walked the floor, for to lie down would have meant sudden death. My condition seemed almost hopeless when I began taking Dr. Miles' Heart Cure, but it helped me from the first. Later I took Dr. Miles' Nervine with the Heart Cure and the effect was astonishing. I earnestly implore similar sufferers to give these remedies a trial."

STRANGE ROBBERY.

Mystery on an Ocean Liner Explained at Last.

Not many weeks ago the newspapers published accounts of mysterious wholesale robberies on one of the ocean greyhounds plying between New York and Liverpool.

The authorities on board ship exerted themselves to their utmost but no clue to the offenders could be obtained. Stateroom was entered, and in nearly every case some valuable jewels were extracted. Scotland Yards was summoned, but the most astute thief catcher of that celebrated agency failed to meet with any success. Later developments have thrown some light on the mystery. On board receiving the constant attention of a lady and gentleman passenger was a fine large group of ostriches consigned to one J. N. Percival, Paris, France. The lady and gentleman after the steamers landed disappeared, as did the flock of feathered beauties. All trace of the birds was lost until the other day when they unloaded at the docks at New Orleans. The tag, however, had been changed and one of the birds was missing. It turned out to be a most valuable bird, however, and the discovery was the work of a New York sleuth hound. At every visit to the hold of the steamer by the aforesaid lady and gentleman this particular ostrich was fed a jewel—either watch, diamond, ring or some other bright article purloined by this couple from the stateroom of their fellow passengers. This particular ostrich seemed to feast on jewelry. Be that as it may, the bird's feathers adorn some Parisian, and the contents of its stomach await identification in the office of the Chief of Police of New Orleans. The lady and gentleman are in the hands of the Paris police who arrested them as they were about to sail for America after having re-shipped the ostriches to New York. Having no reason to return the birds as the culprit had been sacrificed on the other side, the society for the prevention of cruelty to the ostriches sold them to the agent of the great Sells-Downs shows which will exhibit in Clay City, Ky., Saturday, May 3rd.
